

**Erratum for Kim S, et al.
“Comparison of Early Strut
Coverage Between Zotarolimus- and
Everolimus-Eluting Stents Using
Optical Coherence Tomography.”**

Am J Cardiol 2013;111:1–5

The authors apologize for this error.

This paper has an error in Figure 2
on page 4. The corrected Figure 2 can
be found below:

<http://dx.doi.org/10.1016/j.amjcard.2013.06.006>

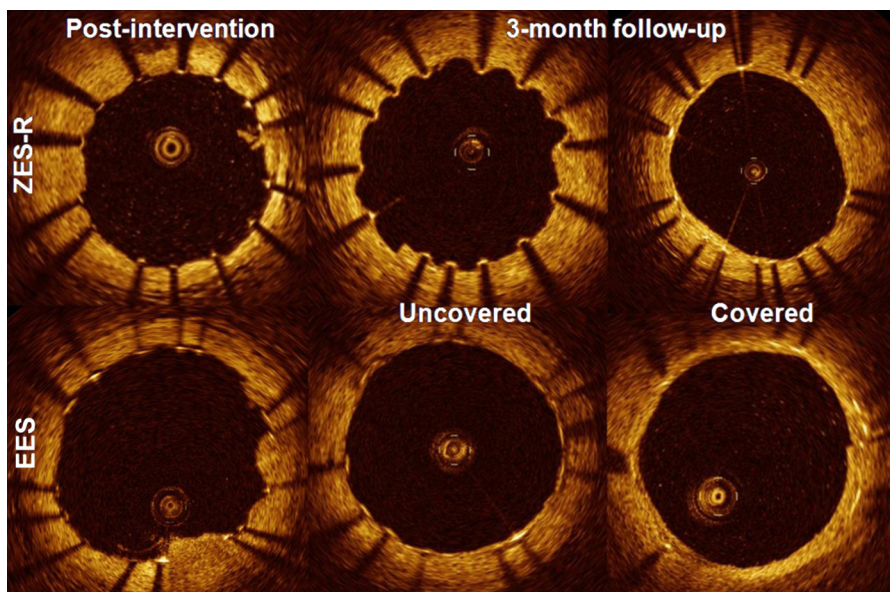

Figure 2. Representative postintervention and 3-month follow-up OCT images. At 3 months, considerable uncovered struts and completely covered struts were observed with ZES-R and EES.
